

Volunteer Center of Washington County AmeriCorps Position

Join our team recruiting and connecting volunteers to community needs!

www.volunteernow.net

262-338-8256

Objective: Recruit and Mobilize Volunteers

Tasks

- Member will work with county middle schools to coordinate school-based service opportunities, coordinate with Builders' Clubs where present, and organize a school-based service opportunity during out-of-school time at each middle school monthly
- Member will work with Volunteer Center staff doing community outreach and volunteer recruitment
- Member will work with Volunteer Center staff to organize Family Service Special Events
- Member will work with Volunteer Center member agencies to promote the expansion of family and youth service opportunities
- Member will attend Washington County Prevention Network Coalition meetings and serve as the conduit to youth
- Member will actively participate in youth led campaign and one service learning project through a Local Coalition
- Member will attend Marshfield Clinic AmeriCorps training sessions as scheduled

When

September 7, 2011 to August 31, 2012

How

The member will learn about volunteer motivation and recruitment strategies. Member will learn all of the current volunteer opportunities and will represent our member agencies and their needs in the community through a variety of outreach avenues. The member will meet and work with our family-oriented member agencies to organize Family Service Special events, and will work with all member agencies to organize middle school service projects.

Target Population

New and returning volunteers – individuals, youth, young adult, families and groups.

Supervision

Member will have active support, education and guidance from Volunteer Center staff.

Outcomes

Provide monthly volunteer opportunities for middle school youth and help teach the value of service. Recruit and involve a 10% increase of volunteers from middle school and faith-based organizations and a minimum of 25 families for Family Service Special Events.
